

REQUEST FOR APPROVAL

To: Cara Morgan
Division Chief

From: Betty Fernandez
Integrated Waste Management Specialist

Request Date: June 8, 2010

Decision Subject: Amended Nondisposal Facility Element For The City Of Oakland

Action By: July 8, 2010

Summary of Request:

Public Resources Code (PRC) Sections 40900 et seq., describes the necessary requirements for cities and counties when developing and implementing integrated waste management plans. PRC Sections 41730 et seq. requires each city and county prepare and adopt a Nondisposal Facility Element (NDFE). This NDFE must include a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of PRC Section 41780. Cities and counties must amend their NDFE if they are adding facilities and should update their EAR if they are deleting facilities.

The City of Oakland (City) submitted a NDFE amendment for the facilities identified below. Based on review of the amended NDFE, staff found that all of the foregoing requirements have been satisfied and that the amended NDFE substantially complies with PRC Sections 41730, et seq., and recommends approval. This memo requests approval of the City's amended NDFE.

Facility Name: Commercial Waste & Recycling, LLC		
<input type="checkbox"/> New	<input checked="" type="checkbox"/> Existing, but newly added to NDFE	<input type="checkbox"/> Expanded
Type	Construction and Demolition Inert (CDI) Debris processing facility	
Location	725 Independent Road, Oakland, CA 94621	
Capacity	150 tons per day	
Participating Jurisdictions	Alameda County jurisdictions, including the City of Oakland, and Contra Costa County jurisdictions	
Anticipated Diversion Rate (%)	65% of all incoming materials will be diverted with remaining residue transferred to a landfill that implements further recycling and reuse.	

Facility Name: Capitol Companies (known as Capitol Recycling)			
<input type="checkbox"/> New	<input type="checkbox"/> Existing, but newly added to NDFE	<input type="checkbox"/> Expanded	<input checked="" type="checkbox"/> Deleted
Type	Construction and Demolition Inert (CDI) Debris processing facility		
Location	440 High Street, Oakland, CA 94601		
Capacity	175 tons per day of CDI material		
Participating Jurisdictions	City of Oakland and Alameda County		
Anticipated Diversion Rate (%)	Up to 90%		

The jurisdiction has adequately addressed all requirements by submitting the information noted below:

City of Livermore	Yes	No
Local Task Force comments	X	
3-day public notice	X	
Resolution adopting amendment	X	
Amendment includes required information for facility type	X	

Recommendation:

Based on staff review of the City's amended NDFE Report, staff found that the requirements have been satisfied and agrees with approving the amended NDFE. Therefore, staff recommends approval of the City's amended NDFE.

Division Chief Action:

On the basis of the information and analysis in this Request for Action and the background information and findings set out herein, I hereby approve the City's amended NDFE.

Dated: 6/29/10
